Projects

E-commerce store

<https://hakthonpro.vercel.app/>

E-commerce website allows users to browse products, view detailed descriptions, and easily add items to their cart for a seamless shopping experience.

Social network

<https://socailmediaapp.vercel.app/>

Social media app allows users to post, delete, update, comment, like, and share text, videos, and photos. It includes authentication and authorization features for secure user interactions.

Photo Gallery

<https://socailmediaapp.vercel.app/>

Photo gallery app lets users create folders, save photos, and set privacy options for both folders and individual photos (private or public). Authentication and authorization ensure secure access.
